## Blake Fulton

Blake Fulton is currently the President of Beacon Inspection, a nationwide provider of commercial truck, trailer, and equipment inspections. Before that he served as Business & Ops Director for Basecraft (2021–2026) a specialized film and television industry transportation equipment leasing company. Prior to that was the COO of OTR Leasing (2016–2021), a subprime class 8 truck leasing company. Earlier in his career, he owned and operated a local Kansas City truck dealership from 2007 to 2015. Blake has held a CDL for 21 years and has been affiliated with the Used Truck Association since approximately 2007.
