

Rodney Stephens

I have been in the used truck space for 20 years, with 15 of those years as a corporate member and former Board of Director for our great Used Truck Association!

I am a proud United States Army veteran, having served in many overseas assignments where I kept anything with a diesel engine running.

In my current role with Assurant, I work with truck dealers across the nation, offering Extended Service Contracts and a wide range of F&I options to provide their customers with world-class protection for their assets.

Previous Roles:

1. Corporate Purchaser / Wholesale Manager — Lonestar / TAG
2. Used Truck Manager — MHC Kenworth Chattanooga
3. Used Truck Manager — Lee-Smith Ford/Isuzu/International, Chattanooga, Tennessee

Affiliations:

- Used Truck Association — Board Member, 2020–2021
- Tennessee Trucking Association corporate member
- Life member of the Veterans of Foreign Wars (VFW)
- American Legion member
- Longtime supporter and leader with Boy Scouts of America

When I'm not traveling to see customers, I love spending time with my wife, Sherry, aka "Babydoll" Stephens, where we enjoy the outdoors with our grandsons in Tennessee.

You can usually find me on the Tennessee River catching those monster catfish!
