

OEM Dealer Nominee

Brian Drummy

Brian Drummy, Regional Used Truck Manager for Worldwide Equipment in Knoxville, Tennessee, has dedicated more than 25 years to the trucking and transportation industry. Brian began his career gaining hands-on experience operating a small wrecker and assisting with mechanical work before moving into expedited freight dispatching and later selling LTL and expedited freight for a global transportation company.

His broad industry experience ultimately led him into the truck dealership business, where he progressed from Assistant Used Truck Manager to Used Truck Manager and into his current regional leadership role.

Throughout his career, Brian has developed a reputation for finding practical and creative solutions to transportation challenges while building lasting relationships with customers and colleagues. He is particularly passionate about mentoring young sales professionals, helping them strengthen their problem-solving skills, think creatively, and develop the knowledge and confidence needed to succeed in the trucking industry. For Brian, one of the most rewarding aspects of his 25-year career has been the relationships he has built with the people he has worked for, worked alongside, mentored, and served. His combination of hands-on trucking experience, transportation sales, dealership management, leadership, and commitment to developing others continues to shape his approach to the industry today.
